Hi Everyone,

I've been told that the Queen Victoria will be here this Friday, Feb. 5th for a stop and that this will be a Port of Call for roughly 1200 passengers. Another 650 will be ending their cruise and 630 will be starting their cruise. I also was told that this ship will be berthed at Berth 92 on the main channel.

Octavio - The PBID (Lorena Parker) is interested in staffing a booth or table setup somewhere outside of the Terminal (where cruise passengers will be exiting) and provide them with general information and literature. Lorena is also considering having the Red PBID trolley make a stop in the terminal to pick up passengers and escort them around the waterfront and downtown SP. This is really short notice and I'm hoping that we can pull something off in time. I'm going to let Lorena communicate with you to see if we can work something out.....

All the best,
Augie
